MEMORANDUM FOR: Executive Officer to the Deputy
Director for Support

SUBJECT: Federal Records Regulations, General
Services Administration

REFERENCE: DD/S memorandum to C/LSD dated 10 March
1964, same subject (DD/S 64-1414)

The mail management regulations of the General Services Administration have no application to the operation of the Agency's mail handling program. This being the case, we propose neither to concur or nonconcur. Any comment that we might have concerning the proposed procedures would have no applicability to the rest of the Federal Government for whose benefit these procedures are developed.

Chief, Logistics Services Division, OL
